General Information

The Non-refundable haul reservation deposit is US\$250

The Cradle reservation deposit is US\$250 and is non-refundable. Cradles are subject to a minimum charge of 40ft and a minimum storage period of 4 months.

A minimum charge of US\$200 is required for ALL off-site work.

Final accounts must be settled in full before a boat is launched. The following forms of payment are accepted: Visa and Mastercard, EC, US or Euro cash, bank draft, wire transfer, certified cheques or travelers cheques. Personal foreign cheques, postal orders, or other currency cash are not accepted. If final payment is being made with a bank transfer, Grenada Marine requires local receipt of the funds prior to the vessel being released for launch.

A current and valid marine insurance policy must be in effect while the boat is out of the water. A copy of your most recent customs clearance, boat registration and insurance documents must be kept on file with us.

The boatyard cannot guarantee the completion of all works within the customers' requested timeframe.

All boats are required to leave an imprint of a valid credit card and a signed Terms and Conditions form.

Dinghies and outboards must be labeled with the boat's name.

Office Hours: Monday to Friday - 8am to 5pm.

No hauls/launches on Saturdays, Sundays or public holidays. However, special situations may be considered on an individual basis and additional charges will apply.
